

March is Family Month at Trinity

March is traditionally Family Month at Trinity. During this golden anniversary year we are especially emphasizing the family as the golden institution of God for the stability and preservation of our culture. The family was God's first created institution for the stability of society. In the Garden of Eden, God created the family when he joined Adam and Eve as husband and wife and gave to them the directive to replenish the earth. Hence, father, mother, and children became the unit for societal growth, development, preservation, and order. During the month of March, we will preach about and promote the family structure from pre-marital relationships, to husband and wife relations, to parenting and children's responsibilities in the family. You won't want to miss a Sunday during the month of March. We will end the month on the fifth Sunday with the youth in charge of the morning worship service. The family and its influence on our culture is just too important to ignore. Join us each week for God's instructions concerning His first institution!
